

Rumour about a big new star...

Monday, 12 June 2006

Which troubled chart topping star's agent has pulled her out of a festival that she was due to perform at in late July.

The reason stated was that she will be 'heading to the U.S to try and crack America', so it's nothing to do with the fact that she was booked to perform at the festival months ago and the agent now thinks she is too big to perform at the festival and has asked for the money to be increased greatly.

The festival organiser is now considering legal action as the contract was all signed and sealed.

A case of 'how to make friends and influence people'.....
