

In ONE day; THREE decisions on false allegations!

Wednesday, 13 September 2006

Warren Blackwell, having served his 5 years for sex assault in 1999, was finally cleared at the Appeal Court via the CCRC. His false accuser was NOT named.

Rev Elias Polomski, 64, was cleared of assaulting an 8 year old girl at Reading Crown Court after the false accuser - not named - admitted she "dreamed it all up".

Matthew Hall, 18, was jailed for 4 years for pretending to be 14 and blackmailing his 75 year old male lover at Leicester Crown Court today. His victim attempted suicide.

That's in ONE DAY in Great Britain today.

Does nobody yet admit there may be thousands of wrongly convicted innocent victims of false accusations in the past?

WAKE UP!!!
