

2016 - the year when we got the society we deserved

Monday, 19 December 2016

That nasty streak in humanity, the vicious side that used religion or sex to kill -

be it Prots vs Cats or Hutus vs Tutsis or Sunni vs Shia or Jews or Palestinians or Paedos or Muslims or Mexicans or Migrants or Abusers -

really illustrated the power of the loud minority.

Be it Brexit or Trump; Cliff or Rolf; it is global and it is very, very nasty indeed.

Institutionalised nastiness; the side that makes many of us loathe our species.
