

EMI; Warners; definite information from the Horse's Mouth...

Friday, 17 March 2006

We are categorically assured that, contrary to the rumours swishing around Wall Street and conveyed below, there is NO DEAL BEING DISCUSSED or IMMINENT.

We are told that anyway, anti trust regulations would mean 18 months of delay so nothing is happening tomorrow.

And we are assured there are NO discussions taking place and have not been for two years.

Our only question is... in that case, what is Roger Ames doing?
