Hello, I Am Your Heart; JK Thursday, 27 April 2006

I'd be very interested what you think of this.	
I always felt it was a hit but never released it as a single.	
It is available in glorious digital quality on my King Of Hits Box set but I think it sounds as fresh today as it did years ago when I recorded it so I'm including it on EARTH TO KING.	ı
Warning - it is quite long (and starts with the sound of a heart beating).	
Your comments and opinions would be appreciated.	
It's been recorded by several artistes; Manfred Mann; The Nitty Gritty Dirt Band; but I think my treatment is the best (after the original by the writer Dennis Linde who wrote Burning Heart for Presley amongst others).	er

Hello I am your foot hello I am your hand hello I am your heart	
Hello, I am your heart	
And you've got me broken one too many times	

Well, hello, this is your heart speaking

And you got me hurt boy one too many times

I'm going away on a little vacation

I'll be gone quite a while

You won't have you no love making

You'll just have that two bit smile

Goodbye, this is your heart leaving

I wish you the best of luck

While I'm healing up
