

Which almighty row in Brook Green was overheard and TAPED by a spy...

Tuesday, 23 May 2006

who has passed it onto us and the mind boggles at the language used and the insults hurled.

We're seriously thinking of putting the juicy bits up on Listen Here for you all to enjoy.

Some clues... the executives concerned are MARKED men, some would say angels in the universe of talent spotting... we're torn between revealing their precious previous successes and being discreet... after all, we wouldn't want the globe to know what prima donnas some of our executives can be, would we?
