

Round Round - JK 1967

Saturday, 03 June 2006

I had a dream last night.

Very odd. Someone had taken an old 1967 track of mine - Round Round - which was a hit in California but nowhere else - and done a modern remix of it.

It charted at 14. Then went to 7. And then to Number One!

Can this dream come true? It's up to you!
