

Gavin Bryars with Tom Waits - Jesus' Blood Never Failed Me Yet

Sunday, 30 September 2007

Beautiful! A Tip Sheet Record of the Week in issues 17,18,19 (Front Pager) and 20.

Never a hit but this epitomises the spirit of the Tip Sheet.

An old tramp (anonymous to this day) outside Waterloo Station, taped, looped, with orchestra and Tom Waits added later. Absolute magic - and the very end, when Tom comes in strong - is breath taking.
